Truly Custom™ Invitations
your colors, your style, *instantly*

For events including invitation and response cards all orders are done through our partner's website – www.basicinvite.com. The ordering process is simple and hassle free:

1.   180 days before your event you will receive a user code pre-loaded with a dollar amount based on your guest count and package.

2.   You go online, design your invitations and response cards using any one of hundreds of design options and then best of all – they will send you a sample before you finalize your order.

3.   Once you have finalized your design you place your order and enter your user code at check-out (if you chose any upgrades you can pay for them at this time).

4.   The invitations are delivered directly to your house and are ready to go! It's that easy!
